A CENTER FOR COPING WITH LOSS

## Coping With Illness: Support groups for Caregivers and Children

### Nights of Support

Imagine provides free peer grief support groups for adult caregivers and children who are living with a family member's chronic illness. Criteria for participation is having a family member with a diagnosis of any illness, injury or disease that significantly changes one's day to day life and being under the age of 60.

*Coping with Illness takes place every other  
Wednesday starting at 6:30 pm.*

*Dinner is provided. for participants.*
